

## Do your pupils have *the skills* to be safe and positive online?

Getting the most out of life online has become **more than just about being safe**; it's about making positive choices, adopting a healthy lifestyle, managing risks and supporting others. Providing impactful opportunities to discuss the choices children and young people can make online is key to developing the skills they need to look after themselves as well as their family, friends and communities.

My sessions are **interactive, engaging** and **age appropriate** and focus on the issues that affect young people. Real-life examples, games, expert knowledge and discussion provide the opportunity to talk about the skills, choices and strategies they need to enjoy everything the internet can offer.

 Age 3-7

**The Mishaps of Morgan Monster**

An interactive story where children can guide Morgan to make good choices about staying safe online and when using technology.

**30-40 minutes**

 Age 7-9

**THINK**

An exploration of looking after yourself and your friends online, through games, examples and activities.

The themes of trust, personal information, pressure from others, respect & kindness and how to get help are all covered.

**60 minutes**

 Age 9-11

**THINK social**

A deeper look at the importance of positive and respectful behaviour in relation to games and social media.

Topics include online friendships, bullying, peer pressure, unwanted contact and strategies for managing tricky situations.

**60 minutes**

 Age 11+ **60 minutes**

**Your life, your internet**

Engaging and informative presentations that promote discussion and exploration of key issues that affect young people. Practical positive advice is included at every stage, as is the importance of looking after yourself and others and where to get help/support.

**Choose up to three of the following:**

- Digital footprints/online reputation
- Online relationships
- Cyberbullying
- Sexting and sexual harassment
- Grooming
- Healthy tech use
- Fake news
- Managing information
- Privacy and security
- The Law
- The Dark Web

 60 minute sessions for parents/carers and staff are also available as part of the day or standalone.

**£200 + £50**  
for the first session per each additional session

*Please note: My expenses (travel, accommodation, etc.) are **not** included. I am based in Hertfordshire but happy to travel UK wide.*

**BUDGET SQUEEZED?**  
  
**I may still be able to help!**  
Please get in touch and I would be more than happy to discuss your needs.

To discuss your training needs or make a booking please contact **Gareth Cort:**
